

## **ENERGY COMMUNITY SECRETARIAT PROFESSIONAL POSITION Vienna, Austria**

The Energy Community Secretariat is one of the institutions established under the Treaty establishing the Energy Community (the "Treaty"). The Energy Community is an International Organization with its seat in Vienna. The Secretariat has overall monitoring, coordinating and enforcement functions in regard with the implementation of the Treaty.

The Energy Community has recently concluded a project financing agreement with European Commission (DG for Neighborhood and Enlargement Negotiations) for the implementation of the Component 3 [Legislative and Regulatory Environment and Key Energy Infrastructure] of EU4Energy Programme. This programme is based on the long running INOGATE Programme.

The overall objective of the project is to improve the legislative and regulatory environment for the energy sector in the participating countries in line with the EU obligations and best practice. The participating countries are Armenia, Azerbaijan, Belarus as well Georgia, Moldova and Ukraine (the later three having a status of Contracting Parties within the scope of the Energy Community Treaty).

To pursue the implementation of the project, Energy Community is looking for a professional to fill in the vacant post of an

### **Electricity Expert at Eastern Partnership Assistance Unit**
