

We invite to our team

AN EMPLOYEE IN THE FIELD OF INTRADAY TRADING (m/f)

Regular employment

Interenergo is an international energy company based in Ljubljana. Despite being relatively new, it is one of the largest energy companies in Slovenia. Our primary activities are energy trading in international energy and financial markets, investments in renewable energy sources and energy services.

We are looking for a team player, a reliable employee with relevant knowledge and an interest in the field of trading.

Your work assignments:

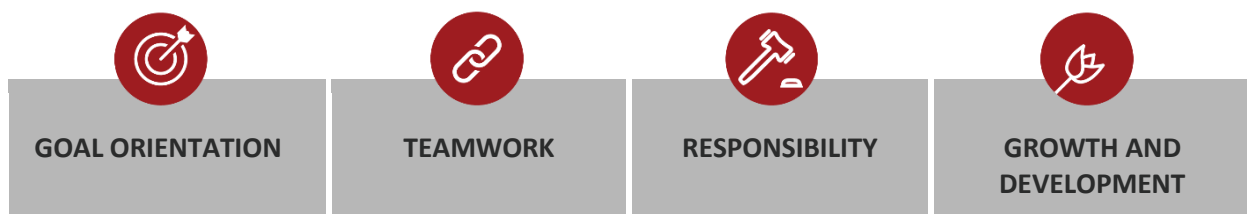

- Intraday trading in electricity (OTC-bilateral trading, trading on international exchanges and platforms of organized trading in electricity and financial instruments);
- Independent detection, structuring and execution of electricity transactions, in accordance with the risk management policy;
- Preparation of orders for the purchase of cross-border transmission capacities;
- Timsko sodelovanje pri razvoju strategije, strukture in procesov dejavnosti trgovanja;
- Daily reports on concluded transactions and preparation of market reports.

What we expect:

- University - VI. level of education (can be final year students);
- Knowledge of English, Croatian/Serbian
- Motivation, interest in trading and monitoring markets;
- Experience in the field of trade (can be of a private nature) is an advantage;
- Creativity, a desire for business opportunities and doing business;
- Advanced knowledge of MS tools (Excel);
- Well-developed logical-analytical skills;
- Communication and negotiation skills.

We offer working in a dynamic, young and successful international company, gaining work experience under mentorship and the opportunity for personal and career growth in the world of electricity trading. In addition to all this, the system of incentive rewards for work performance we offer is probably one of the most stimulating in our country. You will work at the headquarters of Interenergo in Ljubljana.

Values we encourage in the work environment:

We invite you to send us the application with the attached CV no later than **27 May 2022**, by e-mail to info@interenergo.si or by regular mail to **Interenergo, d.o.o., Tivolska cesta 48, 1000 Ljubljana.**
